

## Mentorship Program Frequently Asked Questions

**Q: I'm new to spiritual work. Is this right for me?** A: Absolutely. Our journey begins with a Discovery Call to see where you are. We build from that point, focusing on fundamental tools like grounding and boundaries to ensure your foundation is solid.

**Q: What exactly does "customized to the mentee" mean?** A: Every path is different. Some mentees want to learn to read energy; others are building a sacred business; some are navigating a spiritual awakening. We define your specific "North Star" during our Discovery Call and map the 10 weeks to get you there.

**Q: What is the format of the sessions (In-Person vs. Zoom)?** A: Our initial **Discovery Consultation is held via Zoom**. For the 10-week mentorship:

- **In-person sessions at Blue Moon Wolf are highly preferred** to truly capture the energy of the work.
- **The "Power of Three" Guest Sessions:** Because my guest mentor, **JC**, works exclusively with physical presence, these two specific sessions are held **strictly in-person**.
- **1-on-1 Sessions with Tree:** While in-person is encouraged, I can arrange Zoom sessions for our individual meetings if distance requires it.

**Q: Do you offer payment plans?** A: Yes. You can choose the path that best fits your flow:

- **Option 1:** Pay in full (\$555).
- **Option 2:** Split in half (\$277.50 due at sign-up; balance due at Week 4).
- **Option 3:** Three installments (\$185 due at sign-up; \$185 at Week 4; \$185 at Week 8).

**Q: What if the three spots are full?** A: I prioritize depth over breadth. Once the three seats are filled, I start a waitlist for the next 10-week cycle. Those on the waitlist get first priority when the doors reopen.
